Bb C She's gonna get you
Dm C She's just a devil woman
Dm C With evil on her mind
Dm C Beware the devil woman
Bb C D She's gonna get you from behind

REPEAT INTRO ONCE

Give me the ring on your finger
Let me see the lines on your hand
I can see me a tall dark stranger
Giving you what you hadn't planned
I drank the portion she offered me
I found myself on the floor
Then I looked in those big green eyes
And I wondered what I came there for

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you
She's just a devil woman
With evil on her mind
Beware the devil woman Dm C
She's gonna get you from behind
Dm C
from behind

REPEAT INTRO ONCE

If you're out on a moonlight night
Be careful of them neighbourhood strays
Of a lady with long black hair
Tryin' to win you with her feminine ways
Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
You'd better get out of there fast

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you
She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you
